Wait,
Captain
Han.

I under-
stand how you
feel...

but
our pick-
up is not
going to wait
for us at the
rendezvous
point.

We need
to get to the
rendezvous point
before pick-up arrives.
We already have too much
on our hands and we can't
afford to miss a or risk
before "BENT". If we do,
we need to wait for at
least another 24 hours
and I can't guarantee
our survival at
that point.

*TUM BENT (beginning Morning Nautical Twilight) the start of that period where, in good conditions and in the absence of other illuminations, enough light is available to identify the general outlines of ground objects and conduct limited military operations.

Okay, okay
Give me 10 minutes.
If I don't come back
within 10 minutes, take
the package and get out
of here. I'm sorry, but
I just can't leave my
boy like that.

10 minutes?
The boat will be
gone by then...

Oh
yeah, Park.

You
sir, I'm
listening

MAKE SURE
TO TAKE GOOD
CARE OF HIM. I DON'T
WANT ANY MORE
SCRATCHES ON
THAT PRICK.

ART-WRITING KIM JAE-HEE

Guh...

Kek...

No
time to
talk, I'm going
in straight
away!

I'll take this.

Hey,
Captain Han,
wait!

What
is it this
time?

The animal!

Oh, right!

Make sure
you cover me
properly!

I was so distracted to the point that
I forgot the ammunition or the GP-25.

No, actually,
I was scared.

**GODDAMN IT.
WHY THIS HAPPENS
EVERY TIME!!**

I didn't even have time
to think about what I was doing.

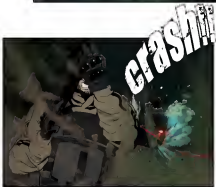

The enemies consisted of a truck
and a mounted mobile infantryman.

I decided to trust the XDC's
marksmanship and took a gamble.

THAT
FUCKER MUST BE
CRAZY!

I'LL
TURN YOU
INTO A BEE-
HIVE!

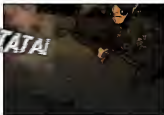

DON'T STOP!
KEEP SHOOTING!

TATATA

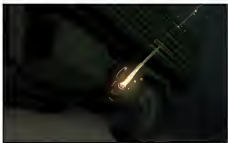

DON'T LET
THEM KEEP THEIR
HEADS UP!

THIS ONE'S
GOING TO THE FUEL
TANK! ONE SHOT,
ONE KILL!

Whee-
you... Keep
burning!

I'LL BRING
THE SURVIVORS!
KEEP WAITING!

4 minutes
and 15 seconds
left.

Ahhhh!
I told you, my foot
is stuck!

You
already said that,
prick.

Just leave
me here, okay? It's
not bad dying for
the country!

I'll get a
medal if I die here
you know? Also my
family will get com-
pensated! I'm okay,
just go!

~~~~~

For fuck's  
sakes, just shut  
up. Here, let me try  
to twist...

~~~~~  
AHHH-!

The temperature...
of the Yellow Sea is... 23, 35,
65... 075, 350 232.

Just let me die here like a hero. Give me an incendiary explosive, okay? I want to go out with a bang.

Shut up and keep watch. I'll try to move the rocks up here.

Jesus, I already told you I'm ready to give my life for the country.

Still, thanks for coming back for me... Huh...?

Huh?!

HANDS
UP!! REPUBLIC OF
KOR..!

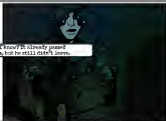

PUT THAT
THING AWAY! WE'RE
HERE TO HELP SO JUST
KEEP WATCH

The North Koreans just walked towards the disabled TAZ and pulled Jeong-Woo out.

Like me, Captain Park seemed to be pretty shocked as well.

How did I know? It already passed 10 minutes, but he still didn't leave.

I didn't talk much with the civilians, but I remember one thing they said.

"We know who you are. Just get out of here safely."

We left the village and headed for downstream.

An outward scream resonated in the car while we listened to a woman read incomprehensible numbers over and over again.

The temperature
of the Yellow Sea is... 28, 41,
61... 712, 326....

Well, I even thought
of breaking that thing.

We ditched the car somewhere downstream and walked...

Until I heard probably the happiest
thing I heard: the police sirens.

The pick-up crew arrived.

Chinese Fishing
Trawls, "Net Stent".

Good
work, sir
Sergeant First
Class Kang Do-
Young, 9th
Special Forces
Brigade

Sorry Sergeant,
but let's get out of this
shithole first. We'll intro-
duce ourselves later.
